

Attention Parents and Caregivers:

Do you have questions about your child that you would like answered by a **Public Health Nurse** or a **Resource Consultant**?

Public Health Nurse

Mondays 10-2 pm **WINGHAM**
Sacred Heart School

Tuesdays 11-2 pm **GODERICH**
St. Mary's School

Resource Consultant

Wednesdays 1-4 pm **WINGHAM**
Sacred Heart School

Wednesdays 1-4 pm **GODERICH**
St. Mary's School

These are drop-in programs at the [Best Start Child & Family Centres](#) located in the schools mentioned. No appointments are necessary.

A **Health Nurse** can answer questions regarding nutrition, any health issues you have regarding your child or even about yourself. You can have your baby weighed, receive resource information from the Health Unit on any of the services they provide and so much more.

A **Resource Consultant** can answer any questions you may have about your child's development, carry out assessments to see the level of your child's development, put you in contact with any services that your child may require from child care centres to resources outside the county.

Speech & Language

A Communicative Disorders Assistant (CDA) will now be providing service to families already on a speech pathologists' caseload at the Best Start Child & Family Centre in Goderich.
