## 2011 Exhibit Schedule

### 60 Years of Collecting February 21 to December 31, 2011

The Huron County Pioneer Museum opened July 4, 1951 with the generous collection of Joseph Herbert Neill. Since then our Museum has continued to collect, preserve and exhibit the story and history of Huron County. Join us in 2011 as we celebrate our 60th Anniversary with exhibits of artifacts collected through the years and events to celebrate our history.

### Fakes & Forgeries: Yesterday & Today April 23 to August 14, 2011

Learn how to tell authentic pieces from sly forgeries and discover the fascinating lengths forgers will go to hoodwink the unwary! Spot the differences between fakes and real artifacts that run the gamut from Natural History and World Cultures, to modern designer brands in this fascinating, interactive exhibition. Visitors of all ages are invited to guess which Museum artifacts are real and which are clever fakes. Also includes educational information about pirated computer software and sections on counterfeit currency.

*Organized and circulated by the Royal Ontario Museum through its Traveling Exhibits Program. The Royal Ontario Museum is an agency of the Government of Ontario.*
