Food for Fines

In celebration of Ontario Public Library week, we want to help you get rid of your library fines! From October 16 - 22, you can donate to local food banks while ‘paying’ your overdue library fines!

During this special week, branches will accept non-perishable food items as payment for overdue fines. All items collected will be distributed to food banks throughout Huron County. Fines are waived on a one-to-one ratio; one item of food for one overdue library material.

Visit your local library branch for more information!

161st Battalion Commemoration

2016 marks the 100th Anniversary of the deployment of the 161st Battalion of Huron to serve in the First World War. As part of a series of events marking this important anniversary, 550 ceramic poppies will be installed in front of the cenotaph in Goderich. The project is based on the 2014 art installation “Blood Swept Lands and Seas of Red” by artists Paul Cummins and Tom Piper at the Tower of London. Each of the 550 ceramic poppies, made by community volunteers, represents a life lost from Huron County in the First World War. The poppies will be in place from September 22 until November 2, after which they will be divided among the different cenotaphs across Huron County. Find out more about the commemorative events at: [https://www.facebook.com/161battalion/](https://www.facebook.com/161battalion/)
