

HURON COUNTY NOTICE OF STUDY COMPLETION

Municipal Class Environmental Assessment Schedule 'B' County Road 83 – Replacement of Two Bridges in 2021

Huron County has completed a Municipal Class Environmental Assessment for the following locations:

Black Creek Bridge

For the replacement of Black Creek Bridge. The structure is located on Huron County Road 83 approximately 0.4 km east of Parr Line.

Ausable 1 Bridge

For the replacement of Ausable 1 Bridge. The structure is located on Huron County Road 83 approximately 0.9 km east of Airport Line.

The project is being planned in accordance with the latest edition of the Municipal Class Environmental Assessment Manual as a Schedule "B" undertaking. As part of the Class EA process, a consultation program was undertaken to seek input on the project from directly affected residents, First Nations Communities, the general public, and review agencies. A Virtual Public Consultation Centre was held between May 14, 2020 and May 28, 2020 at which time plans for the proposed structures replacement were presented to the public. The County has taken all feedback into consideration and has selected the preferred replacements for the structures as presented to the public. There were no negative impacts identified with the project that could not be mitigated. For more information on this project, please visit the County's website or contact Mohammad Shawesh, P.Eng. at mshawesh@greergalloway.com or (613)-966-3068 x348.

Public Involvement

If concerns regarding the project cannot be resolved through discussions with the County of Huron or Consultant, a person or party may request that the Minister of the Environment, Conservation and Parks make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environment assessments. Reasons must be provided for the request. Requests must be received by the Ministry at the addresses below within 30 calendar days of this Notice. The Part II Order Request Form must be used to request a Part II Order. The Part II Order Request Form is available online on the Forms Repository Website by searching "Part II Order" or "012-2206E" (the form number).

The Part II Order Request must be sent to 1) the County of Huron; 2) Minister, Ministry of the Environment, Conservation and Parks at 777 Bay Street, 5th Floor, Toronto, ON, M7A 2J3; minister.mecp@ontario.ca and 3) Director, Environmental Assessment Branch, Ministry of Environment, Conservation and Parks, 135 Clair Avenue West, 1st Floor, Toronto, ON, M4V 1P5; enviropermissions@ontario.ca. If there is no request received by **September 5, 2020**, the project will proceed to implementation as presented in the planning documentation.

Cameron Harper, P.Eng, Engineering Project Manager
