

# HURON COUNTY CONSTRUCTION NOTICE

## County Road 83 – Replacement of Two (2) Bridges in 2021

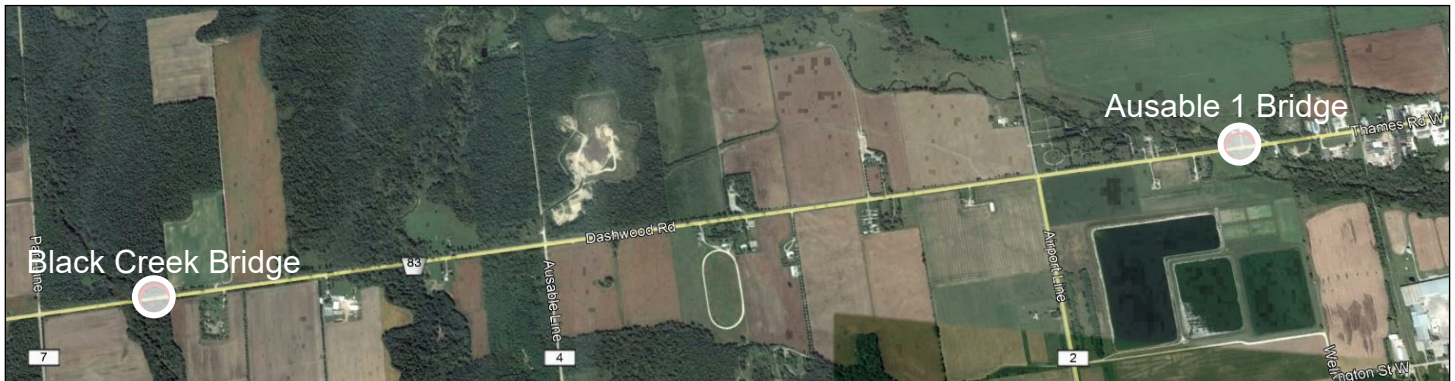

The County of Huron has awarded a construction contract to replace the following two (2) bridges in 2021:

### Black Creek Bridge

The structure is located on Huron County Road 83 approximately 0.4 km east of Parr Line.

### Ausable 1 Bridge

The structure is located on Huron County Road 83 approximately 0.9 km east of Airport Line.

Huron County Council awarded the project to McLean Taylor Construction out of St. Mary's, Ontario. The anticipated start date for this project is **July 6<sup>th</sup>, 2021** which is the Tuesday after Canada Day weekend. The project is expected to be completed in October 2021.

During this time the **road will be closed** at each bridge site and a single detour will be setup using County Road 10 (Credition Road) and County Road 84 (Zurich Hensall Road).

Provisions have been included in the construction contract for access to all laneways. **Access to your laneways, driveways, or field entrances will be maintained at all times.** The Contractor has also been made responsible to work with Bluewater and South Huron's garbage collector and move any garbage collection as required. Please continue to place your bins as usual unless specifically told otherwise.

Access to County Road 83 (Dashwood Road) between the two (2) bridge sites will be accessible by Ausable Line and Airport Line only. We understand that this will cause some inconvenience for those of you between the two (2) bridges and apologize in advance. The decision to close both bridges at the same time was difficult to make but provided the County with most economical solution to the project. It also allowed for both bridges to be replaced in one year limiting future detour planning. For more information about the project please visit: <https://www.huroncounty.ca/public-works/environmental-assessments/>

The Public Works Department appreciates your cooperation and is wishing you a safe and enjoyable 2021. If you have any questions or concerns about the project or during construction please reach out to:

**Cameron Harper, P.Eng,  
Manager of Public Works  
County of Huron**
