△ SITE PLAN

Provide a sketch of the proposed project site showing the field location and the proposed project. Include the distance to and location of watercourses. Include any other information that you feel is important.

A large, empty rectangular box with a thin black border, intended for a hand-drawn site plan. The box is currently blank.

Huron Clean Water Project

Project Requirements

Community Projects

Cost-share Rate: Up to 50%

Maximum Payment: \$2,000

Purpose:

1. To provide community groups with funds for stewardship projects that will improve surface and groundwater quality.
2. To provide community groups with funds for public educational projects about water quality.

Eligibility:

1. Community groups must be established with a board of directors.
2. Groups without a board require two members of the group to sign the application.
3. Applicants must establish a need for the project to be eligible.

Eligible Projects:

1. Stewardship projects must meet eligibility requirements of specific Best Management Practice category (i.e. Livestock Access Restriction to Watercourses, Fragile Land Retirement; Erosion Control Structures; Clean Water Diversion Wellhead Protection or Decommissioning Unused Wells eligibility requirements).
2. Educational projects can be educational materials (videos, publications, posters, etc.) or educational events for the general public.
3. Conservation Authorities and Municipalities are eligible for Clean Water Project funding.
4. The Clean Water Project encourages new projects. Projects will be considered by the Review Committee if the invoice is not older than 6 months at the time first contact with staff.

Project Details:

1. Stewardship projects: See project details for specific Best Management Practice category.
2. Educational projects are eligible.
3. Clean Water Project to be recognized at the event and/or on promotional materials.

Eligible Costs:

1. Stewardship projects: See eligible costs for specific Best Management Practice category.
2. Educational projects: Material costs for educational material or events.

Ineligible Costs:

1. Stewardship projects: See ineligible costs for specific Best Management Practice category.
2. Educational projects: Staffing/labour
3. Mileage of group members
4. Rental fees for municipality supported or government buildings.
