Application form for Final or Phase Approval of a plan of subdivision or condominium description

Instructions

When Draft Plan approval is granted, there are usually a number of conditions to be met by the applicant prior to final approval and registration of the plan of subdivision or condominium description. Among the conditions is usually a requirement that the owner enter into an agreement with the local municipality regarding matters such as the construction of roads, servicing and parkland dedication. Applicants may be required to provide a letter of credit in order for the local municipality to ensure that all of the conditions are fulfilled.

The responsibility for fulfilling the conditions of approval rests primarily with the developer, as does the timing involved.

Application requirements

When the Conditions of Draft Approval have been met, please forward the following to the County of Huron Planning and Development Department:

- 1 copy of the completed Application Form;
- 1 copy of the development agreement (draft) and/or registered copy;
- Copies of all clearance letters received from the Clearance Agencies;
- Registry Office Approval letter to be forwarded with plans;

Copies of plans:

- the original plans of survey signed by the surveyor;
- 5 paper prints of the original plans of survey signed by the surveyor (1 copy to include the A.O.L.S. sticker);
- 6 paper prints of the plans of survey signed by the surveyor (subsection 51(60) or the Planning Act);
- any additional copies of the plans of survey that the registrant wishes returned;
- Final M-plan must be accompanied by a surveyor's certificate setting out the frontages and areas for all of the lots and blocks on the plan;

- Final Plan of Subdivision stamp or Condominium Description stamp must be on the appropriate sheets. Please have your surveyor contact us for the appropriate wording for the stamp;
- 1 computer disk containing a digital copy of the final M-Plan or Plan of Survey in AutoCAD (.dwg or .dxf) format or ESRI shapefile (.shp) format with a projection of NAD83 UTM Zone 17N.

General information

If the M-plan submitted to the Planning Department for Final Approval does not match the draft plan approval drawing, final approval will not be granted by the County of Huron. An application for a Minor or Major Revision to the Draft Plan of Subdivision or Condominium Description will be required. Please contact the Planning Department at the address noted below.

The draft M-plan or Condominium Plan of Survey must be reviewed by the Land Registry Office (Huron) for technical clearance prior to final submission to the County of Huron Planning Department. Failure to obtain technical clearance may delay the registration of the plan/description.

Registration of the Final Plan is the applicant's responsibility.
