The following members of Council were present: Warden McNeil, Councillors M. Anderson, G. Finch, J. Ginn, D. Harding, J. Heffer, P. Heffer, B. MacLellan. The following staff were present: S. Cronin, B. Hall, V. Lass, E. Samuell, L. Vanstone, M. Wark, S. Weber.

1. The tour started at 9:00 AM.

2. Welcome:

Warden McNeil welcome staff and Council.

3. Order of Business:

Ontario Power Generation Nuclear Sustainability Services - Western Facilities Tour

A tour of the OPG NSS Western facility, which is where nuclear waste is currently stored above ground, followed by a visit to Teeswater to see core samples (similar to the borehole site tours that occurred last year), the potential site of the NWMO Project to permanently store used nuclear fuel in a deep geological repository.

4. Adjournment:

The tour ended at 2:55 PM.

Warden Glen McNeil

County Clerk Susan Cronin
