## BLYTH TRAFFIC SIGNALS (Co Rd 4 at Co Rd 25)

---

This notice is being issued to advise residents of the impending installation of new traffic signals at the intersection of Co Rd 4 and Co Rd 25. Construction at the intersection will include the following:

- Traffic Signals;
- AODA compliant pedestrian signals;
- Lighting improvements;
- Widening of Co Rd 25 on the north side. Co Rd 25 to have three lanes at the intersection. One westbound lane, One eastbound lane and a left turn lane;
- Widening of Co Rd 4 on the east side. Co Rd 4 to have three lanes at the intersection. One northbound lane, One southbound lane and a left turn lane;
- Minor storm sewer improvements.

It is anticipated that lane closures will occur between July and November 2023, beginning on Wednesday July 26<sup>th</sup> and extend for a period of approximately 14 weeks.

During construction, temporary signals will be installed at the intersection. Please note, during working hours, all approaches to the intersection will be restricted to **one lane**. After hours and on weekends, **two lanes** will be open.

Access to driveways and Sunward Drive may at times be restricted and not always available depending on the construction activity.

Garbage and recycling bins should be put out at the roadside, as usual. The Contractor will ensure that the garbage and recycling are collected. It is requested that residents write their address on the outside of the bins to ensure they are returned to the correct address.

There are no planned service disruptions to Cable or Communications.

South of the intersection, Hydro One will be working on the aerial crossing of the power

lines. There may be disruptions to the power while they do their work. Advanced notifications of planned power disruptions will be provided.

Emergency Services are aware of the works.

Please visit <https://www.municipal511.ca/> for updates to the traffic control at the intersection.
