

# Snow Plow Safety

When approaching winter maintenance vehicles, such as snow plows and salt trucks, remember to:

Visit our website for more tips on severe winter weather and driving information.

[www.HuronCounty.ca](http://www.HuronCounty.ca)

## Stay Back.

Be sure to leave enough space between you and the snow plow.

## Slow Down.

Snow plows travel at a slower speed. Slow down and give space.

## Be Patient.

Crowding or passing a snow plow can be very dangerous.
