Proposals will be evaluated by an Evaluation Team comprised of appropriate staff members of the County of Huron and others, when applicable, and the Evaluation Team will contact those Proponents for interviews, if they deem necessary. However, the County reserves the right to shortlist Proponents to a number of the top scoring Proponents. These short-listed Proponents must be prepared to: answer questions on their Proposal submission; clarify their Proposal, including a written response to a request for clarification, which shall then form part of the Proponent's Proposal; co-operate with the County with respect to interview scheduling, if required; and any other requirements as requested by the County. The lowest cost Proposal will not necessarily be accepted.

## **1.9 The County's Right to Accept or Reject**

“The County of Huron reserves the right to reject any or all Tenders, including without limitation the lowest tender, and to award the Contract to whomever the County of Huron in its sole and absolute discretion deems appropriate notwithstanding any custom of the trade to the contrary nor anything contained in the Contract Documents or herein.

The County of Huron shall not, under any circumstance, be responsible for any costs incurred by the Tenderer in the preparing of its Tender.

Without limiting the generality of the foregoing, The County of Huron reserves the right, in its sole and absolute discretion, to accept or reject any Tender which in the view of the County of Huron is incomplete, obscure, or irregular, which has erasures or corrections in the documents, which contains exceptions and variations, which omits one or more prices, which contains prices the County of Huron considers unbalanced, or which is unaccompanied by a Bid Bond or Consent of Surety issued by a surety not acceptable to the County of Huron.

Criteria which may be used by the County of Huron in evaluating tenders and awarding the contract are in the County of Huron's sole and absolute discretion and without limiting the generality of the foregoing, may include one or more: price; total cost to the County of Huron; reputation; claims history of the Tenderer; qualifications and experience of the Tenderer and its personnel; quality of services and personnel proposed by the Tenderer; ability of the Tenderer to ensure continuous availability of qualified and experienced personnel; the Construction Schedule and Plan; the proposed Labour and Equipment; and the proposed Supervisory Staff.

Should the County of Huron not receive any tender satisfactory to the County of Huron in its sole and absolute discretion, the County of Huron reserves the right to re-tender the Project or negotiate a contract for the whole or any part of the Project with any one or more persons whatsoever, including one or more of the Tenderers.”

## **1.12 No Adjustments to Proposals**

No unilateral adjustments by Proponents to submitted Proposals will be permitted. Proponents may withdraw their Proposal prior to the closing date and time by notifying the County in writing. Proponents who have withdrawn a Proposal may submit a new Proposal which must be received by the County under the same terms as outlined in this document. After the closing date and time the Proposal is binding on the Proponent. If the County requires clarification of a Proponent's Proposal, that Proponent will provide a written response to a request for clarification, which shall then form part of the Proponent's Proposal.

### **1.13 Proposal Documents and Site Examination**

All Proponents, before submission of their Proposal, shall have thoroughly examined all Proposal Documents, as well as the site of the proposed Work (if applicable), in order to inform themselves of the conditions attending to the execution of the Work. Where applicable, the site will be made available to all Proponents during the bidding period for review. If a Proponent finds discrepancies in, or omissions from, the Proposal Documents, or if in doubt as to the meaning, the Proponent shall notify the County. If required, an addendum will be issued for clarification.

### **1.12 Addendum**

An addendum, should one be necessary, will be issued to all companies that were issued the RFP, or in the case of a mandatory site meeting those companies that registered at the mandatory meeting. The County reserves the right to revise this RFP up to the Proposal Submission Date. Any revisions shall be included in Addenda to the RFP distributed to all Proponents. When an Addendum is issued the date for submitting Proposals may be changed by the County if, in its opinion, more time is necessary to enable Proponents to revise their Proposals. The Addendum shall state any changes to the Proposal Submission Date, all terms and conditions, which are not modified shall remain unchanged. All Proponents must acknowledge receipt of RFP documents and all Addenda in their Proposal.

### **1.13 Period of Validity of Proposals and Agreement**

The successful Proponent will be required to enter into an Agreement satisfactory to the County.

### **1.14 No Assignment**

The successful Proponent shall not assign any part of the project which may be awarded to it under the Agreement without the prior written consent of the County, which consent shall not be unreasonably withheld. However, such written consent shall not under any circumstances relieve the successful Proponent of its liability and obligations under this RFP and the Agreement.

### **1.15 Provisional Items**

Items listed as provisional may or may not be included in the Contract Award. The County reserves the right to diminish all or any portion of the items, listed as provisional at any time before, during or after the Contract Award and no claim shall be made for damages on grounds of loss of anticipated profit or for any other reason.

**1.16 Failure or Default of Proponent**

If the Proponent, for any reason, fails or defaults in respect of any matter or thing which is an obligation of the Proponent under the terms of the RFP, the County may disqualify the Proponent from the RFP and/or from competing for future bid opportunities (RFTs/RFQs/RFPs/etc.) issued by the County. In addition, the County may at its option either:

- Consider that the Proponent has withdrawn any offer made, or abandoned the Agreement if the offer has been accepted, whereupon the acceptance, if any, of the County shall be null and void; or
  
- Require the Proponent to pay the County the difference between its Proposal and any other Proposal which the County accepts, if the latter is for a greater amount and, in addition, pay the County any cost which the County may incur by reason of the Proponent’s failure or default, and further, the Proponent will indemnify and save harmless the County its officers, employees and agents from all loss, damage, Liability, cost, charge and expense whatever, which it, they or any of them may suffer, incur or be put to by reason of such default or failure of the Proponent.

**1.17 Waiver of Rights in Proposal and Indemnity**

Each Proponent acknowledges and agrees that the County is likely to receive, and be required to deal with, several Proposals, all of which may contain or disclose information considered by their Proponents to be of special, unique, secret or proprietary nature, and that such information and the manner in which the County may use it may be entitled or subject to protection under any of Canada’s intellectual property laws, the Competition Act or the common law relating to unfair competition.

The County cannot accept any Proposal that is subject to a reservation by the Proponent of any such rights and each Proponent, by virtue of filing a Proposal pursuant to the RFP expressly waives any and all protection to which the Proponent might otherwise be entitled in respect of that Proposal under all of the foregoing laws and expressly releases the County and its staff and Consultants, if any, as well as the successful Proponent(s) from any claims, actions, suits and proceedings whatsoever for the infringement of any intellectual property right or for the use of any secret or proprietary information disclosed to the County in that Proposal.

Each Proponent shall indemnify and save harmless the County, its staff and Consultants, if any, against all claims, actions, suits and proceedings, including all costs incurred by the County brought by any person in respect of the infringement or alleged infringement of any patent, copyright, trademark, or industrial design or the use or misuse in connection with their Proposal.

Therefore, each Proposal should contain the Proponents best terms and information, including all required documentation, as listed in the RFP. The County reserves the right to enter into discussion/negotiations with the selected Proponent. If the County and the selected Proponent cannot negotiate a satisfactory Contract, the County may, at its sole discretion, terminate negotiations and begin negotiations with the next selected Proponent and continue with the process until a satisfactory Contract is negotiated.
