

Snow Plow Safety

When approaching winter maintenance vehicles, such as snow plows and salt trucks, remember to:

Visit our website for more tips on severe winter weather and driving information.

www.HuronCounty.ca

Stay Back.

Be sure to leave enough space between you and the snow plow.

Slow Down.

Snow plows travel at a slower speed. Slow down and give space.

Be Patient.

Crowding or passing a snow plow can be very dangerous.
